

# Unlock the power of seamless collaboration

## No-Cost Collaboration Assessment

### Delivered by ConRes

**Is your organization getting the most out of its telephony and collaboration tools?**

ConRes, a Cisco Gold Partner, is delivering a no-cost, no-obligation Collaboration Assessment designed to help you maximize productivity, streamline communications and extract the most value from your technology investments.

#### **What's included in your free assessment**

- **Expert consultation:** We'll meet with your team to review your current telephony and collaboration setup, including meetings, video devices, messaging tools and more
- **Comprehensive analysis:** Our experts will evaluate your environment, highlight strengths, uncover gaps and align findings to your business needs
- **Actionable recommendations:** Receive a clear, tailored report with specific updates or enhancements to improve collaboration and outcomes.
- **Budgetary pricing:** Receive transparent, budget-friendly estimates for recommended improvements so you can plan with confidence

#### **Why take advantage of this offer?**

- 100% free—no cost, no risk and only valuable insights
- Delivered by ConRes, a trusted Cisco Gold Partner
- Personalized strategies aligned to your business goals
- Tailored next steps to modernize and future-proof your environment

Take the first step toward a more connected, productive workplace
